AIDS Project Los Angeles, one of the nation's largest AIDS services organizations, provides direct services to more than 10,000 men, women and children living with HIV and AIDS in Los Angeles County. Services include prevention education, a food bank, professional dental care, housing assistance, mental health counseling, women's services and case management. APLA is a leader in the provision of bilingual HIV treatment information, in print and on the Internet, and advocates for effective AIDS-related policies and legislation on the local, state, and federal level. For more information, please visit www.apla.org
